20 YEARS OF GOING THE EXTRA MILE
WILL YOU JOIN US?

OUR MESSAGE TO YOU...

GROW ACCEPTANCE. CELEBRATE EXCEPTIONALITY.

Nineteen years in a row, we have gathered everyone together to go the extra mile for people with Down syndrome and other disabilities. The Walk for Down Syndrome is one of the largest disability acceptance walks in the state...and we want you to be our partner for the 20th Walk for Down Syndrome.

Going the extra mile might start with three loops around the front lawn of the ND State Capitol on Saturday, Sept. 23, 2023, but it also symbolizes the extra intention it takes to make our communities, schools, and homes inclusive and supportive of people with disabilities. Designer Genes of ND, Inc. is a North Dakota non-profit organization that provides supports and services for individuals with Down syndrome and their families. All funds raised are managed by a board of directors made up of ND folks closely associated to a Down syndrome diagnosis.

We've included information on how your financial partnership impacts our work to strengthen opportunities for individuals with Down syndrome and those who support them to earn, learn and belong. For your convenience, you will find a sponsorship form with giving opportunities which we hope you will act on. Your sponsorship is tax-deductible. If you'd like to support our efforts please respond by August 1, 2023.

Please feel free to contact us if you have any questions.

Sincerely,
Roxane Romanick & Sandy McMerty
