

I AM GOING BOWLING!

Special Note

The bowling alley can be loud, bright, and overwhelming. Feel free to bring headphones or other sensory tools that you feel would help.

We will have the room behind the arcade reserved.
Feel free to use if you need a break or quiet area.
Coloring sheets will be available.

Please email us at info@designergenesnd.com if you have any questions.

I am going bowling with my family and friends at
Midway Lanes Bowling Alley!

Some of my friends from Designer Genes will be there.

≡ Welcome ≡

First, I will check in at the Designer Genes table.

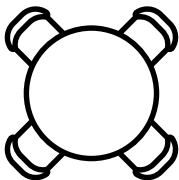

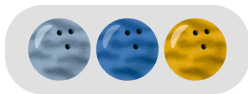

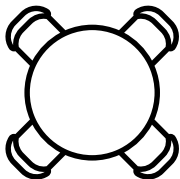

We will find out where we are bowling.

Then I will get my bowling shoes.
I will tell them my shoe size.

I will put on the shoes so I don't slip.

Someone can help you if needed.

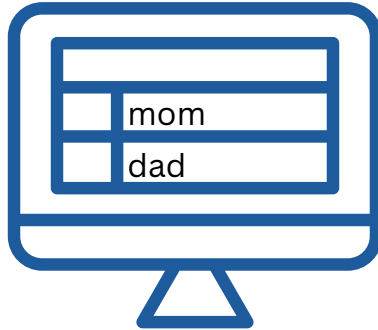

Next, I will walk to our bowling lane.
My family and friends will bowl with me.

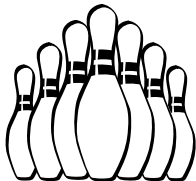

After we go to our lane, we get to pick out a Bowling Ball.

There will be different colors to choose from.
I will pick a ball that feels just right.

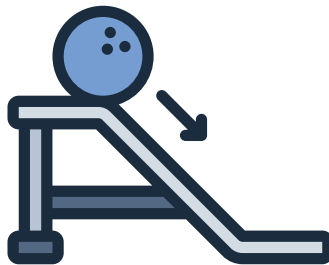

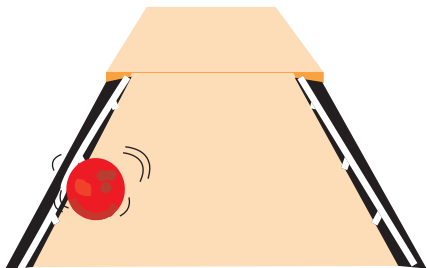

Then we will add our names to the board.

When it's my turn, I will pick up my ball and roll it down the lane. The ball will roll to the pins—yay!

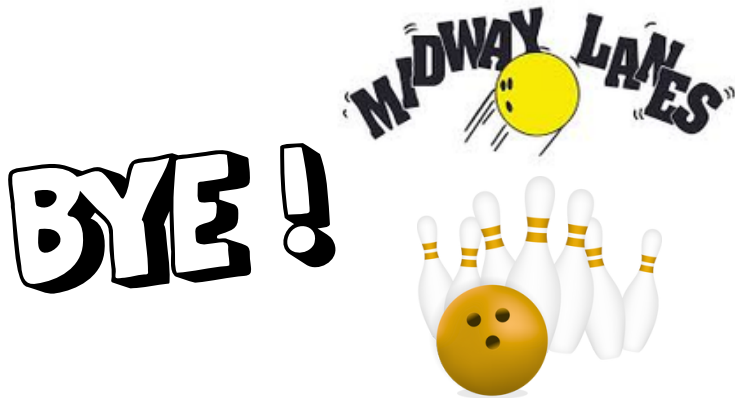

I will wait for my next turn.

There are lane bumpers and bowling ramps to help.

After bowling, we will eat food in the room behind the arcade. I will sit with my family and friends.

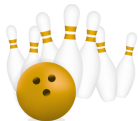

When we are done, we can say bye to our friends.

I had so much fun!

Thanks for joining our fun event
