**Other Amount | \$ \_\_\_\_\_**

**Total Donation Amount | \$ \_\_\_\_\_**

## CELEBRATING 22 YEARS OF BUILDING BELONGING

Dear Friend of Designer Genes,

Community support and enthusiastic families have helped shape the Designer Genes Walk for Down Syndrome into the inspiring movement it is today. Drawing more than 2,000 attendees each year, this event is one of the largest disability acceptance walks in North Dakota — and it sends a powerful message: people with Down syndrome are valuable, capable, and belong in every part of our community.

This year marks our 22nd Annual Walk, and our theme says it all:  
**We Build Belonging.**

We're celebrating more than just the physical presence of individuals with Down syndrome — we're honoring the relationships, advocacy, and systems that help every person thrive. For many years, families have been laying the foundation of our organization, and we are excited to continue to build our organization for new generations to come.

By supporting the walk, you help fund lifelong support that serve North Dakota families across every stage of life — from new diagnosis support and early intervention guidance to transition planning, to advocacy and inclusive community and membership events. Together, we can continue to build belonging from classrooms and boardrooms to parks and neighborhoods.

Please consider becoming a sponsor for this important event on Saturday, September 27, 2025. All donations are tax-deductible, and responses are kindly requested by August 2, 2025.

HERE! 

Thank you for helping us build belonging in North Dakota — one step, one relationship, and one act of inclusion at a time.

With gratitude,  
Kendra Vander Wal  
Designer Genes of North Dakota
